

lyryx with Open Texts

Open Texts and Editorial

Digital access to our high-quality texts is entirely FREE! All content is reviewed and updated regularly by subject matter experts, and the texts are adaptable; custom editions can be produced by the Lyryx editorial team for those adopting Lyryx assessment. Access to the original source files is also open to anyone!

Support

Access to our in-house support team is available 7 days/week to provide prompt resolution to both student and instructor inquiries. In addition, we work one-on-one with instructors to provide a comprehensive system, customized for their course. This can include managing multiple sections, assistance with preparing online examinations, help with LMS integration, and much more!

Online Assessment

Lyryx has been developing online formative and summative assessment (homework and exams) for more than 20 years, and as with the textbook content, questions and problems are regularly reviewed and updated. Students receive immediate personalized feedback to guide their learning. Student grade reports and performance statistics are also provided, and full LMS integration, including gradebook synchronization, is available.

Instructor Supplements

Additional instructor resources are also freely accessible. Product dependent, these include: full sets of adaptable slides, solutions manuals, and multiple choice question banks with an exam building tool.
